

CoBlocks overview

We recommend printing on ANCI D, A1 or a larger paper format.

Please print out the poster sections on one-sided page on ANCI D or A1 paper. Layout the poster on your wall. If you don't have the opportunity to print on large paper sizes, please check the folder "Tabloid/A3 format" where you can find materials for printing the poster in pieces. If you have any questions, please contact us at marketing@delightex.com
