

# PD Training Partner Program

## What's expected of Training Partners?

Our Training Partners are selected because of their **expertise in using Delightex Edu** and their experience in **training other educators** on how to use the platform.

They **conduct trainings** and Professional Development sessions **on a regular basis** to educate and coach teachers looking to integrate Delightex Edu into their lessons.

We'd like to have a close relationship with all our partners and expect regular exchanges about the platform and other relevant topics.

### This isn't for you if:

- You're new to Delightex Edu or don't feel comfortable using the platform yet.
- You teach only students or aren't training K-12 teachers regularly.
- You're just looking for free access to Delightex Edu.

### Responsibilities:

- **Conduct Delightex Edu PD trainings** on a regular basis.
- Encourage teachers to invest in Delightex Edu and **share your promo code**.
- **Stay up-to-date** with Delightex Edu app updates and new features.
- **Stay in regular contact** and send updates to the Delightex team.
- Exchange with other Training Partners and **participate in discussions** in the "Training Partners Hub" on the forum.
- **Share training content** (e.g. lesson plans, tutorials) at least once every 2 months.
- **Provide insights** and concrete feedback to the Delightex team.

# What support do Training Partners get?

You'll get exclusive support and training resources in exchange for your support.

## Benefits:

- Your **Pro license plan** with 100 seats including the MERGE Cube add-on.
- **Pro demo accounts** on request for any dates and number of participants.
- Your own **trial code** to let participants test Pro for free for 60 days with 100 seats.
- Your own **promo code** to let participants get a one-time 15% discount.
- The Delightex Edu Training Partner **digital badge**.
- The **Partner's kit** with Delightex Edu **marketing materials** and other resources.
- The Delightex Edu PD training **slide deck template**.
- **Information on upcoming updates** and feature releases before everyone else!
- **Priority support** and direct contact with the team.
- The ability to actively contribute to shaping the platform.
- Networking with our other Training Partners around the world.
