

DELIGHTEX EDU SPRING CHALLENGE

Bring your favorite lesson to life in Delightex Edu

Grades 2-6
Judging Rubric

Suggested Project minimums:

- 4+** characters
- 3+** scenes
- 3+** coded interactions
- 1+** AI character or interaction

4 points per category

20 points possible

Criteria	4 Exceeds	3 Meets	2 Approaching	1 Beginning	Score
4+ characters	Meets or exceeds the minimum; characters are purposeful, polished, and strengthen gameplay.	Meets the minimum; characters support the lesson and game experience.	Some characters are included, but they feel limited or weakly connected.	Few or no meaningful characters are included.	
3+ Coding	Coding adds multiple smooth interactions that enhance gameplay and learning.	Coding meets the minimum and works as intended.	Some coding is present, but interactions are limited or inconsistent.	Minimal coding or broken interactions.	
1+ AI character or interaction	AI is used meaningfully to support learning, choice, or engagement.	AI is included and supports the Project appropriately.	AI is present but weakly integrated or unclear.	AI is missing or does not add value.	
Storyline & Theme	Storyline is highly engaging and clearly connected to the chosen lesson or theme.	Storyline is clear and connected to the lesson or theme.	Connection to the lesson or theme is uneven or somewhat unclear.	Storyline is unclear or not relevant to the theme.	
Navigation & Sharing	Project is easy to navigate independently and ready to share with others.	Navigation is clear with only minor confusion.	Navigation works in parts, but viewers may need explanation.	Project is difficult to navigate or share.	

Judge Notes

Total Score:

/ 20

Outstanding: 18-20
Strong: 15-17
Promising: 12-14
