

Impact Partners Program

Thanks for your interest in helping transform the future of education with Delightex Edu!

As part of our mission to contribute to improving the student learning experience everywhere possible, Delightex Edu offers support to organizations that are working towards preparing children and teenagers for their future.

What support do our Impact Partners get?

Delightex Edu sponsors nonprofit projects with a particularly valuable impact by granting them Delightex Edu license plans to use to teach kids and teenagers.

Benefits:

- Highly discounted Delightex Edu Pro license plan (to be agreed upon)
- Trial code to give away 60-day free trials of Delightex Edu Pro
- The Partner's kit with Delightex Edu marketing materials
- Priority support and direct contact with the Delightex team
- Networking with other Delightex Edu Impact Partners all around the world

What's expected from our Impact Partners?

We like to have a close relationship with all organizations partnering with us and expect regular exchanges about the platform and other relevant topics.

Responsibilities:

- Communicate on a regular basis with the Delightex team
- Participate in discussions with the team and the other Impact Partners
- Share Delightex Edu educational content (e.g. lesson ideas, tutorials, etc.)
- Provide regular insights and feedback to the Delightex team

How to apply to the Impact Program?
